Heretofore nothing but a business card was permitted upon wrappers of printed matter, but the postmaster of the department. Heretofore nothing but a business card was permitted upon wrappers of printed matter, but the postmaster of the department. Heretofore nothing but a business card was permitted upon wrappers of printed matter, but the postmaster of the department. Heretofore nothing but a business card was permitted upon wrappers of printed and the colonies) has a population of thirty-three million five hundred and the colonies) has a population of thirty-three million five hundred and aconventure of the department. Heretofore nothing but a business card was permitted upon wrappers of printed matter, but the postmast the department. Heretofore nothing but a business card was permitted upon wrappers of printed matter, but the practices of the department. Heretofore nothing but a business card was permitted upon and the colonies. to his own words-"in a governmentilike ours | million nine hundred and four thousand; cated at the ballot-box. Promoters of dis- directions for returning, and any printed to his own words—"in a government-like ours
"it is always good to obey the popular current." But Mr. Sherman completely ignores
the "popular current," or rather misstates it, the "popular current," or rather misstates it, for, according to him, we might be led to believe that everybody is willing and ready for resumption. In his interview with the senate finance committee he stated that "the whole country has become settled down to whole country has become settled down to the conviction that we can resume, and that the conviction t business has adapted itself, and contracts have been made with that view. So far as any suffering from resumption, or preparation for resumption, is concerned, the same authority estimates at five hundred million dollars a year, but the vast loss of the same authority estimates at five hundred million dollars a year, but the vast loss of the same authority estimates at five hundred million dollars a year, but the vast loss of the same authority estimates at five hundred million dollars a year, but the vast loss of the same authority estimates at five hundred million dollars a year, but the vast loss of the same authority estimates at five hundred million dollars a year, but the vast loss of the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the same authority estimates at five hundred lumber; only consumers have suffered, and not the laborers who live by cutting and hauling it to market. The tax has advanced lumber; only consumers have suffered, and not have a proposition of the laborers who live by cutting and hauling it to market. The tax has advanced lumber; only consumers have suffered, and not have a proposition of the laborers who live by cutting and hauling it to market. The tax has advanced lumber; only consumers have suffered, and not have a proposition of the laborers who live by cutting and hauling it to market. The tax has advanced lumber; only consumers have suffered and not have a proposition of the laborers who live by cu have already suffered, and foreign trade that would attend war would in the forum and the field, but for his physinow to go backward would be make the real expense far greater than that cal infirmities incapacitating him from enonly to invite suffering again. It strikes, me, estimate, counting nothing of the great dantherefore, that it is better to go ahead, and ge. of disturbance in India while she is empresentative of his district in congress, and that to retrace the policy of resumption now barrassed with the difficulties and expenses the gallant commander of a Mississippi regiwould separate the metals from our currency, of conflict. The English empire is so ment in the war with Mexico, has announced and one would have to go through the same trouble again. It would be an evidence of national weakness. The struggle between that war to her is a dangerous game. In spite that war to her is a dangerous game. In spite that war to her is a dangerous game. In spite that war to her is a dangerous game. In spite that war to her is a dangerous game. In spite the political area no more. The people will consequently be deprived of the invaluable services of this distinguished gentleman, who metallic money as the basis of paper money of danger, difficulty and expense, England has been an honored representative of the and irredeemable paper money must be made is clearly drifting toward war. However intelligence, chivalry and patriotism of our five thousand dollars by the senate, will, un-

some time. I think we had better complete it now." So far as the conviction of the country is concerned on the resumption of specie payments, Mr. Sherman is as much in "spread-eagling," as we should say, accord- stand out in the twilight of our history like pending in Mississippi, Michigan, Wisconspecie payments, Mr. Sherman is as much in error as he was on the silver bill, and as far as the readiness of the government and of out for peace have fallen under the ban of out for peace have fal fault. His own figures show that there are at the present time six hundred and forty-three million dollars of legal-tender and na-United States treasury has only seventy-one million seven hundred and sixty dollars availsand eight hundred and sixty dollars availthirty-four million five hundred and fiftyand similar ballads and melodies are in he could be chosen. The brilliant array of all other localities. This is rather understatseven thousand dollars. But for the banks Mr. Sherman does not care, for he says that positions, often maudling and mostly "slopthey must look out for themselves." We py." Here Stands a Post, the "post" suppose that they will have to, and as they being the British flag, is sung nightly suppose that they will have to, and as they at the music halls by a vocalist for senatorial honors, and he will not enter congress recognized the principle that the dressed as Britania and surrounded by sea two hundred and ninety-nine million dollars in notes, nine-tenths will go into liquidation, which will throw more than two hundred and fifty million dollars of United States bonds upon the market, to be sold by the comptroller of the currency for the redemption of the national bank notes. Let there be a panic, as undoubtedly there will be, and the panic, as undoubtedly there will be, and the panic, as undoubtedly there will prohibiting the use of the material for these not very poetical outbursts of national bank system will utterly color the redeem two hundred as Britania and surrounded by sea they have licked Russia becaused by the expiration of Bruce's term. We believe we reutter and reiterate caused by the expiration of Bruce's term. We believe we reutter and reiterate the united voice of all north Mississippi when we affirm that Judge Houston, of Monton to timber depredators in all the length and breadth of the country now to go in and make themselves comfortable, as they are assured that the government will no longer have the means to interfer with them. The amendment to the bill prohibiting the use of the money appropriation so small as to restrict me to a very lumited sphere of our people for the united voice of all north Mississippi when we affirm that Judge Houston, of Monton to timber depredators in all the length and breadth of the country now to go in and make themselves comfortable, as they are assured that the government will no longer have the means to interfer with them. The amendment to the for these not very poetical outbursts of nation, such an act will be caused by the expiration of Bruce's term. We believe we reutter and reiterate as to restrict me to a very lumited sphere of our people for the united voice of all north Mississippi when we affirm that Judge Houston, of Monton to timber depredators in all the length and breadth of the country for the united voice of our people for the united voice of our people for the united voice of our people for whole national bank system will utterly collapse. But the government itself, leaving the English people are "terribly in carnest."

Mississippi in the senate at the next session of cur legislature there can be but little doubt. South Mississippi cannot justly complete which is not for exports from the Terrible time. not in a condition for specie resumption, for ish outrages, and massacres, and barbarous and Brown were for successive terms senators Davis oppression, and cruelty aroused the indignators oppression, and cruelty aroused the indignators of this, inasmuch as Senators Davis of the United States where the lumber of the United States where the United States whe million six hundred and eighteen thousand | tion of the world, over and over again. If dred and sixty dollars to redeem them with. to suit her own purposes, stood between the clined any official position since the war. As the people, especially of the mountainous re

ers. a receipt of price; or all three

Berlin, March 24: The North German Sazette says that the treaty does not affect ATHENS, March 24.—It is reported that he women and children massacred by the urks in their sacking of the Phonoil by the New York March 24. Did not be the aspirations of the Russian people. St. Petersburg, March 24: The Golos de victim of the Magenta disaster, died at Sing Sing last night, making the fourth death

> London, March 24: A violent gale, with snow, prevailed here to-day, and extended throughout England, being particularly severe at Liverpool.

> Middletown, N. Y., March 24: John Roo ney, of San Francisco, was picked up by a freight train this morning, half conscious having apparently fallen from the Atlanta

London, March 24: A report has just been received here that the British naval trainingship Eurydice, with four hundred men on board, capsized on the southeast coast of the

Columbus, O., March 24: Mrs. R. B. Hayes arrived here last evening by a private car from Chillicothe. She is the guest of her kinsman, General Mitchell, who gave a private reception in her honor last night. to retain its present pastor.

THEY CURE Conf. References and Richard Phieses.

THEY CURE Dizziness. Heartburn, and Billows Colle.

THEY CAUSE the food to assimilate, and non-rish the body.

THEY CURE Nervousness, and give refreshing Steep.

THEY ARE invaluable for Female Irregularities.

THEY ARE the best Family Medicine ever discovered. Reading, Pa., March 24: Hon. J. Glancy Jones died here to-night, aged sixty-six. He served in congress, with only a brief interruption, from 1850 to 1858, and was, for two years, chairman of the ways and means com mittee. He was, also, minister to Austria during President Buchanan's administration. Pottsville, Pa., March 24: An attempt was made last evening to fire the office of the Chronicle and Standard, but the fire was disovered by an employe in time to prevent its spreading. Nat Mennig and Joe Con-nor, two men recently discharged from the office, were arrested on suspicion and com-

San Francisco, March 24: A Victoria dis-patch says that Admiral De Horsey's report as to the best terminus for the Canada overland railway is published by the Colonist to day. It condemns Burrow inlet and Sheva river as harbors, and strongly favors the adoption of the Bute inlet route, with Esqui-

mault as the terminus. Petersburg, Va., March 24: The guilt of the parties arrested yesterday, charged with the Young bond robbery in New York was fully established. All the missing bonds and securities were found in their possession. A large amount of United States bonds, be lieved to have been stolen from other parties were also found in possession of the robbers Whitehall, March 24: A fire at Keesville this morning, destroyed the Prescott & Wes-ton sash, door, blind and furniture estab-lishment, the Methodist church, grist-mill plaster-mill and two dwellings. The loss will be over fifty thousand dollars, Prescott & Weston alone losing thirty thousand dollars. Ten dwellinghouses, a schoolhouse, and a storehouse with four thousand bushels corn were destroyed. The fire is supposed to be

Brutal Treatment of Insane Patients. St. Paul, Minn., March 24.—The legisday, showing the death of a patient under the hands of a nurse, who attempted to force food down her throat, and the careless scald ing to death of a woman in the bath. The investigation will continue several days.

Mysterious Disappearance of Ex-Con-gressman Vance. CINCINNATI, March 25.—It is announce that Ex-Congressman John B. Vance, Kentucky, has mysteriously disappeared. left the Walnut street house, in this city, last unknown party in Covington, since which time no trace of him can be discovered, al-
